Notes/Narratives

NARRATIVE

I was dispatched to an entering auto complaint at 85 North Ave Apt 7.

Upon arrival I met with [REDACTED] who reported a black Jansport bookbag containing a Research and Methods Psychology textbook (ISBN 978-0-393-93546-2) and several folders containing school papers was stolen from her vehicle.

[REDACTED] advised that she went over to her boyfriend's residence on 101 Trailcreek St at approximately 2000 hours on 02/17/12 and left around midnight that same night. She advised that upon returning to her vehicle she noticed her left front passenger door ajar and items from her glove box strewn about the vehicle. [REDACTED] advised that she did not initially notice that anything was missing from her vehicle. She advised that as she went to class this morning (02/20/12) she noticed her bookbag and other items missing.

I dusted for latent prints but was unable to lift any. CRN provided.
